Last week at the Linney-Acie Cemetery it was readily evident that the feral hogs have been plaguing the cemetery grounds with a terrifying ferocity. As is their habit, the hogs can cover a huge territory, plowing up deep holes which are difficult to smooth out. We read that feral hogs can dig holes more than six inches deep in less than a minute.

The Linney-Acie Cemetery Association will meet Sat., March 7, and they will be discussing repairs to the cemetery grounds and the cost of the repairs. If you would like to join this group or have questions, contact President Judy Headrick at 936-334-6569. Donations may be made via PayPal (visit www.linneyacie.com, click the menu in the top right corner, and select the Donate tab) or by check (payable to Linney-Acie Cemetery Association, 399 N. Colbert St., Dayton, TX 77535).

Just a few of the fine firefighters at the Liberty Fire Department came by the St. Stephen's Episcopal Church Pancake Supper last Tuesday and chowed down on those delicious flapjacks and sausage. Little did they know that in just a few hours they would be assisting in the big fire at the recycling plant on Rolke Road in Dayton. It was reported that 14 fire departments from four counties assisted in extinguishing the blaze. Firefighters worked through the night to prevent the fire from spreading.
