Commissioner Kolarik lists first-year accomplishments

Friends and neighbors, Early voting began Tuesday, February 17, and I am asking for your vote. I would like to share some of the accomplishments I have achieved as your County Commissioner.

- Initiated networking with TxDOT, Drainage Districts, State Rep. Janis Holt, Union Pacific, GLO, Dayton City Manager, and other elected officials and department heads.
- Persuaded commissioners court to end the practice of accepting new subdivision roads/drainage into the 2-year maintenance system with identified deficiencies; and accept-

- ing sand/gravel pit applications until state and federal agencies have signed off their approval.
- Made significant repairs to the bridge on CR-6494 bridge to keep it open and safe for the residents after TxDOT threatened to close it. This effort alone consumed one third of the road and bridge material budget for Pct. 4.
- Convinced Union Pacific to keep the at-grade crossing open on CR-621 after receiving notification of their intent to close.
- Purchased a pneumatic roller and chip spreader without incurring debt for the precinct; revamped a milling machine

- with county mechanics
- Secured alternative funding to repave approximately 5 miles of CR-602.
- Initiated weekly safety meetings for county workers
- Enhanced worker "time on tools" by eliminating the established practice of returning to the barn for every lunch break.

With your support, I will continue to serve this community to the best of my ability.
