

Myron McDowell Construction

It's with a heavy but thankful heart that I am announcing the closing of Myron McDowell Construction. I am ready to retire after such a long run here in Dayton of 44 years.

I personally want to thank all of my customers and contractors throughout the surrounding counties for the trust and dedication they have shown me. My family truly appreciates all of your support.

Moving forward Coleman McDowell and Michael Alba will be continuing to work independently, doing the same as they have been for me. If you need any work done, please give them a call.
