Still time to enter Liberty library's tree decorating contest

LIBERTY - There is still time to deck the halls at the Liberty Municipal Library by entering the library's Christmas tree decorating contest. Participants have until Wed., Dec. 2 at 4:45 p.m. to sign up and decorate their tree at the library.

Participants must provide their own trees and are encouraged to decorate them with their unique, family-friendly, holiday style. Trees cannot be taller than 7 feet and must be self-supporting with a tree stand. The contest is open to families, businesses, and organizations. Sign up is available online, by phone, or in person.

Everyone is invited to vote at the library December 3-10, in person or online for their favorite entry. There is a limit of one vote per person. The foyer of the library will be open before and after the Lights in Liberty Christmas Parade on December 3 for a special nighttime viewing of the decorated trees. We look forward to seeing everyone this holiday season.

Stop by the library on December 17 for crafts, games, goodie bags, Grinch dust and more! Enjoy a story and pictures with Santa and Mrs. Claus at the library's Christmas Party on December 17 from 4-5 p.m. followed by Artificial "Foam" Snow outside from 5-6 p.m.

The Liberty Municipal Library is located inside the Geraldine D. Humphreys Cultural Center at 1710 Sam Houston in Liberty, across the street from the Immaculate Conception Church. Library hours are Monday through Thursday 10 a.m. to 6 p.m., Friday 1 to 5 p.m., and Saturday 10 a.m. to 4 p.m. For more information, please call the library at 936-336-8901. Follow the library on Facebook at facebook.com/Liberty-MunicipalLibrary.

NOTICE | NOTICE | NOTICE | NOTICE

NOTICE OF RATE CHANGE REQUEST

On October 30, 2026, Entergy Texas, Inc. ("ETI") filed an application for approval to amend its Transmission Cost Recovery Factor ("TCRF") with the Public Utility Commission of Texas ("Commission" or "PUC"). The application was assigned PUC Docket No. 60409. The proposed TCRF is requested in accordance with the Public Utility Regulatory Act § 36.209 and 16 Tex. Admin. Code § 25.239. A TCRF allows a utility to recover its reasonable and necessary costs that have occurred since the end of the test year in the utility's last base rate case for transmission infrastructure improvement and changes in wholesale transmission charges to the electric utility under a tariff approved by a federal regulatory authority. In its requested amendment, ETI is seeking recovery of costs for transmission capital investments it incurred from July 1, 2025 through June 30, 2026. ETI also seeks to recover approved transmission charges that are not otherwise being recovered through rates.

The proposed TCRF as amended would result in total TCRF retail revenues of approximately $56.7 million on an annual basis, which would be a 4.6% increase in ETI's annualized non-fuel revenue requirement as compared to revenues approved in Docket No. 53719, ETI's most recent base rate case, and a 2.9% increase in ETI's overall annualized revenue requirement including fuel costs as compared to such revenues. The impact of the rate change on various customer classes will vary from the overall impact described in this notice.

The effective date of the proposed rate change would be the date that a Commission order adopting the proposed TCRF is issued. ETI has requested that, if no hearing is requested, the Commission adopt an order approving the proposed TCRF at or before its currently scheduled open meeting on January 14, 2027. All customers in ETI's Texas retail rate classes are affected by this request.

Persons with questions or who want more information on this filing may contact ETI at Entergy Texas, Inc., Attn: Customer Service—2026 TCRF Case, 350 Pine Street, Beaumont, Texas 77701, email tcr@entergy.com, or call 1-866-981-2602 during normal business hours. A complete copy of this application is available for inspection at the address listed above.

The Commission has assigned Docket No. 60409 to this proceeding. Persons who wish to intervene in or comment upon these proceedings should notify the Public Utility Commission of Texas ("Commission") as soon as possible, as an intervention deadline will be imposed. A request to intervene or for further information should be mailed to the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326. Further information may also be obtained by calling the Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals may contact the Commission through Relay Texas (toll-free) at 1-800-735-2989.

The deadline for intervention in the proceeding is 45 days after the date the application was filed with the Commission. Therefore, ETI has requested that the deadline be December 14, 2026, and a letter requesting intervention should be received by the Commission by that date. Instructions for electronic filing via the "PUC Filer" on the Commission's website can be found here: https://interchange.puc.texas.gov/filer. Instructions for using the PUC Filer are available at: https://ftp.puc.texas.gov/public/puct-info/industry/filings/E-Filing_Instructions.pdf. Once you obtain a tracking sheet associated with your filing from the PUC Filer, you may email the tracking sheet and the document you wish to file to: centralrecords@puc.texas.gov. For assistance with your electronic filing, please contact the Commission's Help Desk at (512) 936-7100 or helpdesk@puc.texas.gov. You can review materials filed in this docket on the PUC Interchange at: http://interchange.puc.texas.gov/.
