

L-R: Jeanette (Gates) Shipman, Theo (Lewis) Smith, Charlene Amber Reed, and Dianne (Carney) Thayer, all good friends from the Dayton High School Class of 1964, got a chance to meet up once again at the Pioneer Reunion held last month. Apologies to Amber Reed for misidentifying her graduation year a few weeks ago.

Nurse Practitioners and Physician Assistants are health care professionals licensed, or in the case of those employed by the federal government, they are credentialed to practice medicine with physician supervision.

As part of their comprehensive responsibilities, NPs and PAs conduct physical exams, diagnose and treat illnesses, order and interpret tests, counsel on preventive health care, assist in surgery, and write prescriptions. Within the physician to mid-level relationship, nurse practitioners and physician assistants exercise autonomy in medical decision making and provide a broad range of diagnostic and therapeutic services. This practice may also include education, research, and administrative services.

Next SHC Book Club meeting, July 28

LIBERTY - Tuesday evening, July 28, from 6-7 p.m., the Sam Houston Regional Library and Research Center (SHC) book club will discuss the biographical novel *My Dear Hamilton* by Stephanie Dary and Laura Kamoie. The selection coincides with the Center's celebrations connected to the country's 250th anniversary this year, as the story focuses on Eliza Schuyler Hamilton, the wife of founding father Alexander Hamilton. The authors used letters and other archival sources to research Eliza's life and create a dramatic narrative based on true events.

Interested participants may obtain a copy of SHC book club titles through their local library or favorite bookstore to prepare for the conversation. For more information, contact SHC staff at (936) 336-8821 or via email at SamHoustonCenter@tsl.texas.gov.

Featuring fictional works with a connection to the world of museums, archives and libraries, the Sam Houston Center book club is open to all with meetings on the fourth Tuesday in July and October. The *Midnight Library* by Matt Haig will be featured October 27.

Home to extensive archival holdings documenting Southeast Texas, a library collection, and a museum, the Sam Houston Center offers an ideal setting for discussions about novels tied to these fields. Each meet-
